

Change the future of our workforce

Become a
Youth Internship Site

CobbWorks Youth ASSETS Program
2010 Summer Youth Employment Strategy

"CobbWorks' youth employment program is an excellent way to provide constructive work opportunities for youth and begin preparing Cobb's future workforce."

Sam Olens, Past Chairman
Cobb County Board of Commissioners

Become a Youth Internship Site

The mission of the CobbWorks YOUTH ASSETS Program is to help youth achieve success through support, education, and training services. You and your company can help us achieve this mission by becoming a work experience site.

- CobbWorks provides all wages and workman's compensation coverage.
- You host a youth (ages 14-24) in a position with your company to learn work skills and positive work ethics.
- Provide a supervised, meaningful employment experience.
- Visit www.cobbworks.org and click on the "Youth ASSETS" tab to download an application to participate.

"From the time she walked in the door, she was ready to work. She did an excellent job...we just fell in love with her. It's a real learning experience; that's what I like about it. They have dreams and aspirations and learn how to make a fit into that."

Mark Justice, Cobb EMC Community Relations Director
speaking about his department's intern

"She is my right-hand person. She learns so fast. I wanted to feed her as much as she wanted to learn."

Cathy Bailey, Giving Back Foundation Executive Director
ultimately hired her intern for a full-time position with her organization

CobbWorks Youth ASSETS
