

RFQ/RFP 2021-007
DESIGN BUILD MUNICIPAL COMPLEX

ADDENDUM #16

- In order to use a drone in the downtown to include photos in the submittal, the pilot of the drone must submit a film permit application through smyers@cityofpowdersprings.org at community development for permission to fly over City property. Additionally, the pilot of the drone needs to have a Part 107 license to operate a drone. The company should also have proof of aviation insurance. The license and insurance should be included with the City's permit application.
- A one-page statement certifying receipt of each addendum will be acceptable in lieu of submitting each addendum initialed. Include the certification statement or addenda as the concluding page(s) of the submittal.
- The proposed square footage is approximately 28,000. An updated floorplan depicting this will be added as Addendum #17.
