**QUALIFICATION AND PRICING
PROPOSAL 22-015
Powder Springs City Hall
Powder Springs, Georgia 30127**

The City of Powder Springs, Georgia (hereafter “the City”) is seeking proposals from qualified contractors for a Guaranteed Fixed Price Contract for a new City Center (to consist of renovation of approximately 7,850 square feet of existing space in the current City Court Building, construction of approximately 20,000 square feet of additional space adjacent to such building and construction of a two level 132 space structure parking facility, the “Project”) to be constructed adjacent to the public greenspace created by Thurman Springs Park. The selected contractor will play the vital role of assisting the Architect, Engineers and Project Manager in the final design and engineering of the facility to ensure the contractor’s ability to deliver the project within the final Guaranteed Fixed Price Contract (a copy of which shall be provided with the Pricing Proposal Package). The project is contingent upon a project budget being achieved which can be funded by SPLOST funds, ARPA funds and City General Funds.

Proposals will be considered in two parts. In that process, all interested contractors will be required to be pre-qualified. Interested contractors will complete a separate Qualification Questionnaire.

Qualification Questionnaires as well as documents addressing the scope of work as it now is envisioned may be obtained from the City of Powder Springs website at www.cityofpowdersprings.org.

All inquiries concerning this Qualification Questionnaire should be made to Office of the City Manager at pconner@cityofpowdersprings.org.

Qualification Questionnaire Submittals:

Five (5) paper documents (one original and four copies), as well as one (1) electronic version on a USB flash drive in PDF format of the Qualification Questionnaire must be received in a sealed envelope marked on the outside indicating the document enclosed and the name of the contractor no later than 4:00 PM, October 14, 2022 addressed to: **Pam Conner., City Manager**, Re: Powder Springs City Hall, 1114 Richard D. Sailors Parkway, City of Powder Springs, Georgia.

Scoring Process

Qualification Questionnaires will be opened and scored prior to October 21, 2022. Scoring will be based on organization, licensing certifications, experience, references, financial capacity, and management/operations.

Each Qualifications Questionnaire shall be scored as follows: Total Maximum Points

1.	Organization	4
2.	Licensing Certifications	4
3.	Experience	20
4.	References	12
5.	Financial Capacity	10
6.	Management/Operations	<u>10</u>
	Total Maximum Points	60

Once all Qualification Questionnaires are scored, each submitting Proposers will be notified whether their firm has qualified to be eligible to submit a Price Proposal Package. Proposers receiving a total Qualifications Score of less than 50 do not meet the minimum qualification scoring requirement and will not be considered qualified. Those Proposers that do not meet the minimum qualification scoring requirement will not be eligible to submit a Pricing Proposal Package.

Those proposers whose Qualifications Score is 50 or greater will be eligible to submit a Pricing Proposal Package. The City intends to have mandatory walk through with all qualified contractors at 11:00 AM, October 24, 2022. Pricing Proposal Packages will be distributed to all qualifying Proposers ahead of the mandatory walk through... This will ensure that all qualified contractors pricing proposals are submitted based on the same understanding of the scope of work. Pricing Proposal Packages will be distributed to all qualifying Proposers ahead of the mandatory walk through. Pricing Proposal Packages will consist of the following:

1. 50% Design/Development documents and architect's specification.
2. Form of the Guaranteed Fixed Price Contract.
3. Schedule of Values in Excel format for submission of Pricing Proposal.

The City further intends to receive Pricing Proposals from qualified Proposers no later than 4:00 PM, November 11, 2022. During the week of November 14, 2022, Pricing Proposal Packages will be opened for evaluation regarding their Guaranteed Fixed Price amount.

These pricing proposals are not considered a firm bid and will not be considered as such rather such proposals shall be the contractor's best estimate of the costs of construction based on the plans and specifications available at such time.

Pricing Proposal Submittals:

Five (5) paper documents (one original and four copies), as well as one (1) electronic version on a USB flash drive in PDF format of the Pricing Proposal must be received in a sealed envelope marked on the outside indicating the document enclosed and the name of the contractor no later than 4:00 PM, November 11, 2022, addressed to: **Pam Conner., City Manager**, Re: Powder Springs City Hall, 1114 Richard D. Sailors Parkway, City of Powder Springs, Georgia.

Following the opening of the Proposals, such will be scored on a comparative basis. The Guaranteed Fixed Price Proposal will be worth a total of 40 points and will be scored on a comparative basis, i.e. the lowest estimated price (based on the highest price if given as a range), will be awarded the total 40 points, each of the remaining proposals will be awarded a prorated number of points based on the ratio of the offeror's price to the lowest proposed price. For example, if Proposer A has the lowest Price Proposal at \$100, Proposer B's Price Proposal is \$110 and Proposer C's Price Proposal is \$120, then Proposer A receives the full 40 points, Proposer B would receive 36 points and Proposer C would receive 33 points.

The City's decision will be based upon a cumulative scoring factor and not solely upon the lowest cost proposal. Based on the combined total of the Qualifications and Pricing Proposal scores, the City will select the responsible and responsive offeror or offerors whose proposal or proposals are determined to be in the best interest of the City, taking into consideration the evaluation factors set forth above, as well as factors such as the work to be performed by local contractors and dates of commencement and completion.

All Proposals will be held in confidence until award. At the discretion of the City of Powder Springs, Georgia, interviews may be requested. If interviews are requested, it is anticipated that they would be scheduled during the week of November 14, 2022.

The City may choose to negotiate with one or more of the selected contractors. The award will be made to the responsible and responsive offeror whose proposal is determined to be the most advantageous to the City.

The selected contractor shall become the Preferred Contractor. It shall be the responsibility of the Preferred Contractor to work with the City, the Architect and the Project Manager to review the plans and specifications and to assist in determining any areas in which savings may be achieved through changes in the methods of construction, materials, systems or design which the City, the Architect and the Project Manager determine can be accomplished without material deviation from the current functionality or aesthetics of the Project.

Following such value engineering, the City shall review and adopt a construction budget for the Project. It will be the responsibility of the Preferred Contractor to work with the Architect and the Project Manager during the completion of final construction drawings to ensure that the Preferred Contractor

can execute a Guaranteed Fixed Price Contract for an amount not to exceed said budget. No contract will be awarded until construction drawings are complete and the Preferred Contractor is prepared to execute such Guaranteed Fixed Price Contract.

QUALIFICATION QUESTIONNAIRE

General Information:

Each section and subsection of the Questionnaire should be answered beginning on a separate page, and pages should be numbered consecutively with the name of the respondent indicated clearly at the bottom of each page. Responses must be submitted in the order and format outlined in this Questionnaire. The sworn signature page should then be placed at the end, after all Questionnaire pages.

Responses must be accompanied by a one-page cover letter containing the project title, basic contractor information (including name, address, telephone and facsimile numbers) and the name(s) and telephone and facsimile numbers of persons authorized to receive communications and provide all clarifications as may be required.

Each response will be reviewed to determination if it is complete prior to actual evaluation. Failure to provide an accurate, complete and up-to-date response may result in disqualification. The City of Powder Springs, Georgia (the "City") reserves the right to eliminate from further consideration any response that is deemed to not substantially conform to the request for information contained in this Questionnaire. The City also reserves the right, during the course of the evaluation process, to request any additional information deemed necessary to supplement and/or clarify the information provided.

The proposed project is a new two-story building that is to be attached to the existing one story building. There is also a proposed two-level parking deck.

The City reserves the right to accept or reject any or all offers as it believes to be in the best interest of the City. The City reserves the right to waive informalities in the selection process.
