JANITORIAL SERVICES

ADDENDUM # 2

The following addendum amends or modifies the solicitation terms, conditions, and/or specifications as originally issued. Listed below are answers to questions submitted regarding the Request for Proposals for Janitorial Services.

1. We were told that the CAC and Police Department must be cleaned during business hours and that the CAC cannot be cleaned on Wednesdays due to being a court day. What are the recommended cleaning schedules (days and times) for all the locations?

All facilities except for the CAC building and Police Department will be cleaned after business hours. The exact times for cleaning at each location are undetermined at this time but will be scheduled with Public Works Department personnel after the award of the contract.

2. What is the breakdown of the flooring types in all the buildings?

The exact breakdown of the flooring types in each building is not available and flooring types can vary with each building. However, most buildings will have a combination of carpet and tile floors.

This Addendum is issued to modify or interpret the bidding documents. Bidders are hereby instructed that the terms and specifications for the above referenced project are modified, corrected, or/and supplemented as hereinafter described. Bidders are hereby instructed to acknowledge receipt of this Addendum.
